Have you started thinking about Christmas yet ?

Of course you have ! Here's a little help on some common mistakes we can hear at this time of year

❌ 1. "For Happy New Year I go to my family."
✔️ Correct: "For New Year, I'm going to see my family."
➡️ We see/visit family; we don't "go to my family."

❌ 2. "I pass the Christmas at home."
✔️ Correct: "I spend Christmas at home."
➡️ We **spend time**, not pass it.

❌ 3. "We celebrated the Christmas."
✔️ Correct: "We celebrated Christmas."
➡️ No "the" before holidays (Christmas, Easter, New Year's Eve, etc.)

❌ 4. "I hope you pass a good holiday."
✔️ Correct: "I hope you have a good holiday."
➡️ We **have** holidays.

❌ 5. "We will make a big party for New Year."
✔️ Correct: "We will have/throw a big party for New Year's Eve."
➡️ We **have** a party (informal) or throw a party (organise).

❌ 6. "I am in holidays."
✔️ Correct: "I am **on** holiday." (UK) / "I'm on vacation." (US)
➡️ "**On** holiday," not "in."

Seasonal sentences for your emails :

- Wishing you a peaceful Christmas season and a successful New Year. Thank you for your trust and collaboration throughout the year.
- Thank you for your partnership and support this year. We wish you a Merry Christmas and a prosperous New Year, and we look forward to continuing our work together in 2026.
- We wish you and your team a joyful holiday season and a New Year filled with successful projects, strong communication, and new opportunities.
- Please accept our warmest regards for the festive season. We wish you a peaceful Christmas and a productive and fulfilling New Year.
